The highlighted areas on the left are where most of the reimbursement resources will be found:

- Getting Paid
- Getting Paid in the Future
- Getting Started with Payment

## Here are some of the topics you will find:

**Medicare Basics**  
Medicare is a federal health insurance program for people age 65 and older, people of any age with permanent kidney failure, and certain disabled people under age 65. [Read More](#)

**Medicare MNT**  
Medical Nutrition Therapy is an essential component of comprehensive health care. The Academy provides RDNs with the necessary information on MNT and Medicare Part B. [Read More](#)

**Join the Reimbursement Online Community**  
The Reimbursement Online Community is an interactive portal that offers Academy members a space to network and share ideas related to coverage and reimbursement. [Read More](#)

**Steps to Enroll in Medicare**  
Enrolling in Medicare can be a confusing task. Follow these three steps to get you enrolled and becoming a Medicare provider. [Read More](#)

**Practice Settings - FAQs**  
Here are the answer to the most frequently asked questions concerning the Medicare MNT benefit in relation to the practice setting. [Read More](#)

**How to Apply for a National Provider Identifier**  
A National Provider Identifier (NPI) is a 10-digit number that is required on claims in place of other provider identifiers. Learn how you can get an NPI number. [Read More](#)

**National Provider Identifier FAQs**  
Find out the frequently asked questions of National Provider Identifiers, including who is eligible to receive an NPI and what health providers need to know. [Read More](#)

**Introduction to Private Insurance Credentialing**  
Credentialing is a term used by payers to enroll practitioners in the respective networks. When you are credentialled with a payer, you also agree to the payer's contract terms. Make sure you know the process. [Read More](#)

**Maximizing Quality and Minimizing Costs: Integrating Dietitians into Your Private Practice**  
Learn how to take advantage of the health and cost-saving benefits of nutrition services via the Comprehensive Primary Care Initiative (CPCI). [Read More](#)

**Integrating RDNs into Emerging Health Care Delivery and Payment Models**  
The PCMH/ACO Workgroup is a sub-group of the Coding and Coverage Committee that develops recommendations to advance RDNs involvement. [Read More](#)

**Medical Home - Background**  
The term medical home was first coined by the American Academy of Pediatrics (AAP) in 1967 and initially meant a central place for archiving a child's medical record. [Read More](#)

**Case for Change to the PCMH Model**  
Having a usual source of care, the most essential element of a PCMH, is extremely influential in the care people receive. [Read More](#)

**Demonstration - Pilot Projects**  
Many PCMH models are in place across the country, and a variety of groups have collaborated to develop local PCMH models. [Read More](#)

**Why Private Insurance and Employers Should Cover MNT**  
Medical nutrition therapy provided by registered dietitian nutritionists can decrease employee health related symptoms and increase employee productivity and overall health. [Read More](#)

**Academy to Continue Fight for CMS Coverage**  
Academy shares registered dietitians' concerns about the news that Medicare will now cover obesity counseling services without direct payment to RDNs. [Read More](#)

**Academy Diabetes Coverage Policy Statement**  
The Academy's Diabetes Coverage Policy Statement affirms that registered dietitians should be designated by third party payers as eligible providers of MNT. [Read More](#)

**State Health Insurance Exchanges**  
The Patient Protection and Affordable Care Act includes a provision by which millions of uninsured Americans can obtain health insurance through a state health insurance exchange. [Read More](#)

If you have more inquiries regarding reimbursement, you can contact your Reimbursement Representative, Amy Davis, ([amy.davis@sanfordhealth.org](mailto:amy.davis@sanfordhealth.org) or 701-323-5648) or State Reimbursement Representative, Kayla Cole, ([kayla.cole@trinityhealth.org](mailto:kayla.cole@trinityhealth.org) or 701-857-5107) and they will assist you in any way they can.
